

How do you get a Garrett's Run Decal for your vehicle?

You must **provide** the office with a **driver's license** and a **current vehicle registration**. You will receive a decal with each vehicle registration. ANY Unit will only be given a **maximum of 2 decals per unit** and **2 Visitor Passes** good for 1 year. **ONLY ONE** vehicle may be parked in front of the building with a decal!

The parking decal must be applied to the **driver's side FRONT window**, which the sticky part goes onto the window. The numbers must be visible to one walking around.

The owner/tenant has the right to cut the top part of the decal where Garrett's Run's design is, so no one would know that you live at this complex. What must be visible on the decal are the GRCA and the permit number.

Decals are ready to be handed out in the office **ONLY ON WEDNESDAY'S** when the office is open. I cannot mail decals to owners. January 1, 2012, forward, cars without decals parked in front of the buildings will be towed at owner's expense.

If you sell your vehicle or need another visitor decal, you will have to contact the office only on Wednesday's. If you are a tenant, you will need to provide a copy of your lease to the office before a decal will be issued. Below is the form that will need to be filled out!

I have read Garrett's Run Rules regarding vehicles and parking. I understand that I can only park ONE vehicle that has a decal in front of the building. Each additional vehicles must be parked in the visitor/guest spots. I am aware if the towing company catches two vehicles of mine in front of the building, it will be towed at my (owner's) expense.
