Attn: Lynn Hoit

Re: Fire Sprinkler Certificates-Bldg 9

Lynn,

This letter is to document Garrett's Run Condominium Association is furnished with an Automated Fire Sprinkler System installed in accordance with NFPA 13. Please note system was not installed by United Fire Protection.

Building 9 consists of Units 901-918 which is under contract with United Fire Protection to complete the Annual and Quarterly Fire Sprinkler Test & Inspections per NFPA 25 code.

All NFPA 25 Test & Inspection Reports are available upon request from Reconcilable Differences and/or United Fire Protection.

If you have any questions please feel free to reach out to us.

Sincerely,

JH
